****

Chief Engineer& Chief General Manager (Tech) BSWML welcomed all the officials and the representatives of the agencies/ firms for the works for which pre-Bid meeting was called. Representatives of various companies as above were present in the said pre bid meeting.

The queries/clarifications sought by the agencies with regard to bids invited, were received in writing / e-mail & through KPP portal. The clarifications are issued according to the tenders invited as under: -

Sl. No.	Page No. / Section Name	Statement	Query	Reply
1. M/s OM APARAJITHE SOLID WASTE MANAGEMENT LLP.				
01	1.1.7	**1. Introduction** The Authority intends to qualify and select suitable Highest Bidder (H 1) for the service in accordance with the procedure set out herein	Kindly clarify whether the selection of Highest Bidder (H1) shall be carried out DWCC-wise or division-wise	DWCC-wise
02	1.1.14	The DWCCs shall be handed over to the Highest Bidder as is where is basis, and it shall be the	• Whether the Authority proposes to arrange a joint site inspection for	Tender conditions prevail.

		responsibility of the bidder to inspect and satisfy himself before participating in the bid.	prospective bidders prior to bid submission. • Please clarify whether major civil or structural repairs, if required after handover, shall be the responsibility of the bidder or the Authority.	Joint Site Inspection is not proposed.
03	1.2.4	**1.2. Brief Description** In terms of the RFP, the bidder is required to deposit the Earnest Money Deposit (EMD) as specified in Schedule A through the KPP Portal only, using approved electronic payment modes.	Please confirm whether the Earnest Money Deposit (EMD) is required to be submitted per bidder or separately for each DWCC.	Tender conditions prevail. EMD is to be submitted DWCC-wise.
04	1.2.5	The bidder shall submit the quote in KPP Portal only. The minimum bid amount and increment of Bid amount which may be quoted are indicated in **Schedule A.** Any quote below the minimum bid amount is liable for rejection.	• Please clarify whether the quoted bid amount is to be submitted on a monthly or annual basis. • Kindly specify whether the reserve price indicated is applicable on a monthly, annual or five-year contract basis.	The bid amount shall be submitted in the form of One time security deposit
05	1.2.7	The bidder who quotes the highest bid is required to furnish the refundable security deposit for the bid amount in the form of fixed deposit from Nationalised /Scheduled bank in the name of Managing Director, BSWML for a period of 5 years	• Please clarify whether the Security Deposit Amount is equivalent to the quoted bid value or subject to a maximum cap. • Kindly confirm whether a Bank Guarantee will be accepted in lieu of a Fixed Deposit.	• Quoted bid value. • Tender condition s prevail.
06	1.2.9	Joint Venture is not permissible.	• Please clarify whether consortium arrangements or MOUs with waste picker groups are permissible. • Whether NGOs or SHGs may engage support agencies without constituting a Joint Venture. • Kindly confirm whether Sub-contracting of non-core activities is permitted.	Tender conditions prevail.
07	2.2.1	**2. Instructions to Bidders** **2.2 Eligibility of Bidders** **2.2.1 Eligibility Criteria** In addition, the NGOs/C&T Contractor shall associate with at least one Waste picker/Waste	• Please clarify whether consortium arrangements or MOUs with waste picker groups are permissible. • Whether NGOs or SHGs may engage support agencies without constituting a Joint Venture.	Tender conditions prevail.

		Picker Association before submitting the bid and shall submit along with the bid, the Identity Card of the Associated Rag pickers with experience certificate as per above clauses. The bids received without Identity cards of Waste picker/Rag Picker will be disqualified during the technical evaluation stage	• Kindly confirm whether Sub-contracting of non-core activities is permitted.	
08	2.2.1	The bidders shall note the reservation criteria mentioned in Schedule A before applying for tender. The bidders not satisfying the reservation criteria of the concerned DWCC will be disqualified	Kindly clarify whether a bidder may apply for multiple DWCCs falling under different reservation categories, subject to eligibility.	Refer Clause 1.2.6 in RFP
09	2.3.1	**2.3 Site Visit and Verification of Information** Bidder are encouraged to submit their respective Bids after visiting the Assignment site and ascertaining for themselves the site conditions, location, surroundings and infrastructure availability of power, water and other utilities for handling and storage of materials and any other matter considered relevant by them before participating in the bid.	• Whether bidders may reply on site conditions observed during site visit, or whether the 'as is, where is' clause shall prevail in case of discrepancies. • Kindly confirm whether site layout drawings, measurements or infrastructure details will be shared with bidders.	Tender conditions prevail. The bidder shall quote for DWCCs in 'as is, where is' basis.
10	3.2.1	**3. EVALUATION OF DOCUMENTS** The Documents shall be evaluated to determine whether they: • are complete in all respects, • meet eligibility requirements, • comply with the provisions of the RFP, and • contain all required information and supporting documents.	• Please confirm whether a document checklist will be provided to bidders to avoid inadvertent rejection. • Whether reasons for technical disqualification will be communicated to bidders.	Tender conditions prevail.

11	4	**Scope of Work** **1. Obligations and Duties of DWCC Operator** The DWCC Operator shall be responsible for engaging workers at the DWCC, and all helpers, sorters, or storage workers shall necessarily be waste pickers holding valid BSWML occupational IDs.	• Whether BSWML will provide a database/list of registered waste pickers available for engagement. • Kindly clarify responsibility for renewal of expired BSWML occupational IDs of engaged waste pickers.	• Tender conditions prevail. • Refer 2.2.1 Bullet 3 in RFP
12	4	The DWCC Operator shall allow for temporary storage of sanitary waste in designated sanitary bins at the DWCC until collected by the authorized disposer on the same day; bins will be provided by BSWML.	• Please clarify responsibility in the event the authorized disposer fails to collect sanitary waste on the same day. • Whether DWCC operators are required to maintain separate records or logs for sanitary waste handling.	Tender conditions prevail.
13	4	**Scope of Work** **2. Obligations and Responsibilities of DWCC Operator** BSWML shall be primarily responsible for door-to-door collection and transportation of dry waste to the DWCC of the ward.	• Kindly indicate the expected average daily quantity of dry waste to be delivered to each DWCC. • Please clarify the remedial mechanism in case of irregular or inadequate door-to-door collection.	Tender conditions prevail.
2. <u>M/s. Nelaanjanaa Enterprises</u>				
14	1.1.7	**1. INTRODUCTION** The Authority intends to qualify and select a suitable Highest Bidder (H1) for the service in accordance with the procedure set out in the RFP.	Please clarify whether the selection of H1 is DWCC-wise or division-wise.	DWCC-wise
15	1.1.14	The DWCCs shall be handed over to the Highest Bidder on an "as is, where is" basis, and it shall be the responsibility of the bidder to inspect and satisfy himself before participating in the bid.	• Will the Authority provide a condition report or inventory of existing DWCC infrastructure and equipment? • Can a joint site inspection be arranged prior to bid submission? • Please clarify whether any major civil or structural repairs, if required, will be borne by the bidder or the Authority.	Tender conditions prevail. Joint Site Inspection is not proposed.
16	1.2.4	1.2. BRIEF DESCRIPTION In terms of the RFP, the Bidder is required to deposit the Earnest	Please confirm whether one EMD per bidder or separate EMDs per DWCC are required.	Tender conditions prevail.

		Money Deposit (EMD) as specified in Schedule A through the KPP Portal only, using approved electronic payment modes.		EMD is to be submitted DWCC-wise.
17	1.2.5	• The bidder shall submit the financial quote through the KPP Portal only. • The minimum bid amount and bid increment are as specified in Schedule A, and bids below the minimum amount are liable for rejection.	Please confirm whether the bid amount is to be quoted as a monthly or annual amount. Can the Authority clarify whether GST or other statutory taxes are included or excluded from the quoted amount? Whether the reserved price is monthly/yearly/ 5 years	The bid amount shall be submitted in the form of One time security deposit
18	1.2.7	The bidder who quotes the highest bid is required to furnish a refundable Security Deposit in the form of a Fixed Deposit from a Nationalised / Scheduled Bank, in the name of the Managing Director, BSWML, for a period of five years.	Please clarify whether the Security Deposit amount is equal to the quoted bid value or capped at a fixed amount. Will the Authority accept Bank Guarantee in lieu of Fixed Deposit?	• Quoted bid value. Tender conditions prevail.
19	1.2.9	Joint Venture is not permissible.	Please clarify whether consortium arrangements or MoUs with waste picker groups are permitted. Can NGOs or SHGs engage support agencies without forming a joint venture? Will subcontracting of non-core activities be allowed?	Tender conditions prevail.
20	2.2.1	**2. Instructions to Bidders** **2.2 Eligibility of Bidders** **2.2.1 Eligibility Criteria** In addition, the NGOs/C&T Contractor shall associate with at least one Waste picker/Waste Picker Association before submitting the bid and shall submit along with the bid, the Identity Card of the Associated Rag pickers with experience certificate as per above clauses. The bids received without Identity cards of Waste picker/Rag Picker will be disqualified during the technical evaluation stage	• Will one associated waste picker be sufficient for eligibility? • Can the experience certificate be issued jointly by BSWML/BBMP/GBA, or is any specific issuing authority mandatory? • Will substitution of an associated waste picker be permitted after bid submission but before award?	Tender conditions prevail.

21	2.2.1	The Waste picker associated with one bidder is not eligible to apply for tender in his name or in association with other bidders. Such bidders if any will be disqualified.	In case of inadvertent duplication, will the bidder be given an opportunity to rectify or replace the associated waste picker.	Tender conditions prevail.
22	2.2.1	The bidders shall note the reservation criteria mentioned in Schedule A before applying for tender. The bidders not satisfying the reservation criteria of the concerned DWCC will be disqualified.	Can a bidder apply for multiple DWCCs with different reservation categories, if eligible?	Refer Clause 1.2.6 in RFP
23	2.3.1	**2.3 – Site Visit and Verification of Information** Bidders are encouraged to visit the assignment site and satisfy themselves regarding: • site conditions, • location and surroundings, • availability of power, water, and other utilities, • infrastructure for handling and storage of materials, • and any other relevant matter before participating in the bid.	• Are there existing utility connections (power/water), or are bidders required to arrange them independently? • Can bidders rely on site conditions observed during visit, or does the "as is, where is" clause override discrepancies? • Will any site layout drawings or measurements be shared with bidders?	Tender conditions prevail. The bidder shall quote for DWCCs in 'as is, where is' basis.
24	3.2.1	**3.EVALUATION OF DOCUMENTS** The Documents shall be evaluated to determine whether they: • are complete in all respects, • meet eligibility requirements, • comply with the provisions of the RFP, and • contain all required information and supporting documents.	• Will bidders be allowed to clarify or submit missing documents during evaluation? • Is there a document checklist that bidders can rely on to avoid rejection? • Will reasons for technical disqualification be communicated to bidders?	Tender conditions prevail.
25	4	**4. SCOPE OF WORK** **1. Obligations and Duties of DWCC Operator** **Pointer (iv)** The DWCC Operator shall be responsible for engaging workers	• Will BSWML provide a database or list of registered waste pickers for engagement? • Can the bidder engage new waste pickers and facilitate ID issuance? • Please clarify responsibility for renewal of expired occupational IDs.	• Tender conditions prevail. Refer 2.2.1 Bullet 3 in RFP

		at the DWCC, and all helpers, sorters, or storage workers shall necessarily be waste pickers holding valid BSWML occupational IDs.		
26	4	The DWCC Operator shall allow for temporary storage of sanitary waste in designated sanitary bins at the DWCC until collected by the authorized disposer on the same day; bins will be provided by BSWML.	• Please clarify the frequency and timing of sanitary waste pickup. • Who will be responsible if the authorized disposer fails to collect on the same day? • Are DWCC operators required to maintain separate records/logs for sanitary waste?	Tender conditions prevail.
27	2	**Obligations & Responsibilities of BSWML** BSWML shall be primarily responsible for door-to-door collection and transportation of dry waste to the DWCC of the ward.	• Please clarify expected daily quantity of dry waste delivered to each DWCC. • Will BSWML ensure segregation at source, or is secondary segregation expected at DWCC? • In case of irregular or inadequate collection, what remedial mechanism is proposed?	Tender conditions prevail.
